The C. and C.'s (by telegraph to the Chronichis morning in regard to Lord Beacousfiel leath is all nice enough; but the same ne ppeared in THE ATLANTA CONSTITUTION OF preflay morning.

11 I Could Keep Her So

where; Blue eyes asking questions, lips that can

speak,
Roly-poly shoulders, dimple in your cheek;
Dainty little blossom in a world of woe;
This I fain would keep you, for I love you so.

Roguish little damsel, scarcely six years old— Feet that never weary, hair of deeper gold; Rostiess, busy fingers, all the time at play, Tongue that never ceases talking all the day; Blue eyes learning wonders of the world about Have come to tell you them—what an eage shout!

Sober little school girl, with your strap e

And such grave importance in your puzzled

plums:
Reading books of romance in your bed at night,
Waking up to study in the morning light;
Auxious as to ribbons, deft to the a bow,
Full of contradictions—I would keep you so.

Sweet and thoughtful maiden, sitting by my

All the world's before you, and the world is

Hearts there are for winning, hearts there are to break;
Has your own, shy maiden, just begun to wake?
Is that rose of dawning glowing on your cheek,
Telling us in blushes what you will not speak!
Shy and tender maiden, I would fain forego
All the golden future, just to keep you so.

All the golden future, just to keep you so.

All the listening angels saw that she was fair, Ripe f r rare unfolding in the upper air:

Now the rose of dawning turns to filly white, And the close-shut cyclids well the eyes from sight.

All the past I sommon as I kiss her brow—
Rabe, and child, and maiden, all are with me now.

Oh; my heart is breaking, but God's love I know—
Safe among the angels, He will keep her so.

He must

Mr. Gladstone promptly declared his before the commissioners themselves. Mr. Gladstone promptly declared his intention of giving the remains of the great conservative leader public and ceremonious burial, but the will of the decisions discriminate unjustly against intention as the gout.

The first lake arrival of the season reached Chicago last week. The lakes are now open to navigation, having been closed exactly 105 days, a slightly longer time then deceased forbids his sepulture in West-minster Abbey by directing that he be need to be told that the members of An minster Abbey by directing that he be laid by the side of his wife at Hughenden, his country home. The burial service will, therefore, be of a quiet and unofficial nature, without any of the pomp and promote injustice. The Thomasville display that the dead statesman so much | Enterprise thinks the effort to make THE death of General Joe Lane at his home in far-away Oregon has long been expected, but still the loss of the veteran politician will recall to mind the camdorses. The Enterprise then goes on to paign of 1860, when he ran with John C. Breckinridge, against Douglas and Johnson, Bell and Everett, and Lincoln and Hamfin. General Lane had previ-

but never in the least abating his faith in democratic principles. He lived and THE Greek settlement progress slowly. Neither Greece nor Turkey like the terms proposed, and the powers have cept the proffered territory and Turkey to give it up promptly and peacefully The prospect now is, the time of the If accomplished at all, it will be expeditiously carried into effect. And after it is disposed of, the Epirotes and other Greeks in Turkey will begin a series of agitations and complications that will doubtless result in giving Greece

THE esteemed Macon paper is troubled over the fact that THE CONSTITUTION received news of the death of the earl of Beaconsfield twenty-four hours sooner The Macon paper wants us to prove that prepared to make six millions of bales a we received the news in the shape of a vear, with an expansive capacity of a mil-'special cable." If it is really desirous lion or so more. But, asks the thoughtful over a stupid mistake that occurred in the manufacture as to the production the composing room, by which a line was of cotton. There is certainly sense, as slipped over a piece of news that belong- well as great profit, in this, and perhaps ed over a dispatch which appeared near it. after two or three severe lessons, the far-

If this statement is intended to convey publicans against the negroes is deep set, the idea that The Constitution is serious. ly interested in the principle of right PLEDGER is still banging on the ragged

headed, conservative men-men of large experience, comprehensive judgment and judicial minds. They are engaged in establishing precedents, and when these precedents are established, no subsequent board can go very far wrong. THE CONSTITUTION is in favor of perfectcan see no reason or excuse for modifying it. The law has a purpose behind

Much has been written by the cham pions of the absurd theory that railroads | bune and G. Gorbam is intermittent, bu are private enterprises to show that empt to show that the law has injured the railways. In point of fact, it is

acknowledged by the most persistent opponents of the law that the roads were ver more prosperous than they are at never more certain of receiving reasonable returns upon their capital. It is not has injured or oppressed the corporations n any shape or form, and until this is hown, the arguments in favor of striping the commission of power are withut reasonable basis. We learn from the Thomasville Enter

rise that a most strenuous effort s making along the line of the Savannah, Florida and Western railway to arouse a feeling of opposition to the comnission, and the Enterprise expresses an pinion that the effort will be in part successful. Whether it is successful or not, reason for opposing the commission than an argument before the legislative committee, or wrote a letter to the newspa-

corporations. This, however, has no material bearing upon the point it is desirable to make, and that is that if the Savannah, Florida and Western railway has a case against the Eagle is confident that a boss without the commission of sufficient magnitude patronage cannot make any headway to justify its managers in inaugurating a crusade for the purpose of arousing pubetire. He has played a bold game for a lic opposition to the board, certainly they would be justified in laying the case partially succeed because of the popularity and activity of Mr. H. S Haines, and it pays him a compliment which THE CONSTITUTION most cordially in-

show why the effort should not succeed. ously served in the senate, and his popularity among the people was very great He left the public service when the war was begun, and up to his death he remained in retirement on his Oregon farm

Crop Estimates and Theories.
The friends of forecast and computaon, to use the expressive terms of the New Orleans Democrat, are busy, and se just what the powers promised her, and are the problem starters. All recognize the fact that the cotton product is annually increasing, and all see that the new system can produce under average circumstances just as large a crop as the world will say in advance that it wants. Barring any sweeping disaster, it is safe to say that the southern farmers are now

"special cable." If it is really desirous of ascertaining the exact manner in which we anticipated its news twenty-four hours, it should write to Mr. J. W. Simonton, New York, or to Mr. Phillips, Washington, either of whom will furnish all needful information. The fact is, The Constitution receives every night no less than 1,000 words of telegraph news that the Macon paper does not receive at all—news that does not come over the wires until after the Telegraph's forms are locked up, and its editors are locked up also in the arms of Morpheus. The senior editor of the Telegraph understands this, for he declined to pay for the latest lot of dispatches; and in his absence the junior editor will not be able to obscure the facts by kicking up a fuss over a stupid mistake that occurred in the manufacture as to the production of the latest to the manufacture as to the production of the latest both of the latest both of turn their attention as much to the manufacture as to the production.

The Insanity Dodge Again.

The Insanity Dodge Again. Baltimore Gazette.

When Delarnete deliberately shot his sitter a house of questionable character in Danville, a, the crime was justly denounced as a cruel nurder. Miss Delarnette, it will be recollected,

This wonderful remedy has been in use This wonderful remedy has been in use in domestic practice, in a certain community in Middle Georgia, ever since the retirement of the Creek Indians from that section of the State. The Indians were evidently subjects of blood disease, and being ignorant of all science, had to appeal to the instincts of nature for remedies; and by such instinctive knowledge they selected from the herbs and plants of the forest the remedy that cured these diseases as readily as certain other weeds! diseases as readily as certain other weeds cured snake bite. It was nature's rem-edy, and was most fortunately communi-cated by the Indians to the white settlers and has thus been transmitted to civili-zation as a precious boon to suffering humanity.

umanity.

This Specific comes not as a triumph of science, but a revelation to man through WRIGHT & MEYERHARDT, animal instinct.

The Indian intuitively recognized the The Indian intuitively recognized the several plants that nature designed for the cure of its malady, and generously communicated the remedy to us; and it is a legacy to the afflicted world both valuable and imperishable. It cures blood diseases as surely as quinine stops the chills or sulphur cures the itch. ATTORNEYS AND COUNSELORS AT LAW

KIDNEGEN is highly recommended and unsurpassed for WEAK or FOUL KIDNEYS, DROPSY, BRIGHT'S DISEASE, LOSS of ENERGY, NERVOUS DESILITY, or any OBSTRUCTIONS arising from KIDNEY or BLADDER DISEASES. Also, for YELLOW PRYER, BLOOD and KIDNEY POISONING, in infected malarial sections.

WALT we have discovered KIDNEGEN, which acts specifically on the Kidneys and Urinary Organs, removing deposits in the bladder and any straining, smarting, heat or irritation in the water passages, giving them strength, vigor and causing a healthy color and easy flow of arina. It can be taken at all times, in all climates without injury to the system. Unlike any other presentant for fidney difficulties it has a very pleasant and agreeable tasts and flavor. It contains positive dimertic properties and will not measured. Laddes especially will like it, and Gentlemen will find HIDNEGEN the best Kidney Toric ever used! NOTICE—Each bottle bear the signature of LAWRENCE & MARTIN, also Proprietary Sovernment stamp, which permits KIDNEGEN to be sold (without license) by Druggista Groces and Other Persons everywhere.

Put up in Quart size Bottles for General and Family Use.

That Atlanta is progressive and enterprising is demonstrated in no better way than by the numerable corporations of worth that are being organized within her limits.

Only yesterday another enterprise whose importance and worth is readily recognized was made to assume shape in the afternoon the corporators of the Atlanta electric light company one yend at the Atlanta cotton exchange and effected an organization. The genth men composing this company are Mesers J. F. Cummings, B. F. Abbott, J. B. Cummings, C. H. Stroog, T. H. Brown, R. F. Young, O. T. Terry and H. E. Cummings, all of whom are well known in Atlanta where their enterprising sparsi is recognized and highly appreciated.

The charter under which the organization was That Atlanta is progressive and enterpris be charter under which the organization was d was recently granted by Judge Hillyer of the orems court and guarantees to the incorpo ors all privileges usually given such associa this, the first meeting, was attended by all th or porators except Messes Terry and Cummings, o were represented by proxies. he organization, which is a temporary one, a secured by electing Major J. Palton Superior Court.

In Forrester against State, the defendant madertook to evade the law against retailing intoxicating liquors without a license, by having his cook sell them in the kitchen. In the defendant's kitchen, by his servant, in his presence, and with his cc-peratior, through the responses. Go to Mary, and Give the money to Mary, the traffic was carried on. There is little doubt that the defendant was the detty of this rude shrine, and that Mary was only the ministering priesters. But if she was the divinity and he her attending spirit o warn thirsty devotees where to drink, and at whose feet to lay their tribute, he is amenable to the state as the promoter of forbidden libations. Whether in these ustryed rights he was serving Mary or Mary him, may make a difference with the gods and goddesses, but makes none with men."

LATEST SPRING STYLES JUST INTRODUCED, BY

The Pharmaccutiest Element.

From Dr. Theo, Schumann, of this city, who has just returned from Columbus, we learn that the Pharmaceutical association, which recently convened in that city had a most harmonious and prosperous session. The attendance was not as large as might have been, but the few pressut showed a devotion to their protession which compensated for the sparse attendance.

During the session the association gave a great deal of its time to the discussion of a oil which they are endeavoring to the state of the sparse attendance and distinct profession and that any a springer and distinct profession and that we are the sparse of a school of pharmacy shall be cityline to positions where a fluorough revolution in the druggists throughout the state.

A Lost Child, HIRSCH BROS.,

Popular Clothiers and Tailors, 42 and 44 Whitehall Street, ATLANTA.

on appeal, in Burrus against Moore he says:
"Curative measures are not restricted to the early stages of a case; our 'court physicians' now treat chronic disorders as well as acute ones."

In Dodd against Middleton, the judge dissented in the following terms. "If I could be reinforced here by the votes, as I am believe appeals of New York, I could easily put my brethren in the minority; but as it is, they are two against one, and I have no option but to yield to the force of numbers other words to "the tyranny or majorities, Though twice beaten, I am still strong in the true faith, and an ready to suffer for it (moderately) on all proper o'casions."
